Happy Friday!!

Since the primary concern seems to be Reading, I think maybe we could stick with the two English classes and US History. Thanks for checking.

Happy Friday!!

I just want to make sure that I have the right people in the district fill these out. We originally were thinking the strategic math, math, and ELA teachers. His current schedule is US History, Science A
Econ, English11 & 12.

I am thinking one or both ELA teachers. Do we want to stick with the math teachers or relate with history, econ and/ or science??
